

Revitalize Me Party

If you enjoy getting together with your girlfriends or guyfriends, why not arrange an 'I Inspire Me' party. There is a process that is designed to give you a snapshot of the here and now of your life. Using this in a creative and fun filled way, I then facilitate you in setting intentions for your life and a clear definition for your future. So embrace your world and come to your senses by inviting a few friends over for a 'Revitalize Me' Party.

This inspirational and revitalizing process is run in the privacy of your home, so invite your friends for a get-to-gether

- Date:** Saturday morning or afternoon is best
